CL.2 PREAMBLE

CSIR-AMPRI and SPAB, have realized the need for a close linkage in terms of research and academic activities. In compliance to this idea, both have decided to sign a Memorandum of Understanding (MoU) as per the following terms and conditions.

CL.3 GENERAL

CL.3.1 CSIR – Advanced Materials and Processes Research Institute (CSIR-AMPRI) is a multi-disciplinary Material sciences laboratory with basic and applied R&D programmes in several strategically important areas of Lightweight materials, radiation shielding materials, hybrid wood composites, smart and functional materials, building materials, water resource management etc. The overall objective of AMPRI is to achieve a world-class status in the area of engineering materials, component and process development.

WHEREAS SPAB is established by Government of India as an Institute of National importance in the year 2008. This school is committed to produce best Architects and Planners of the Nation to take up the challenges of physical and socio- environmental development of global standards. This will be developed as 'University of imagination', where a sense of enquiry will prevail amongst all stake holders- students, researchers, professors and society at large. School of Planning and Architecture will strive for social sustenance through universal design, cultural sustenance through conservation and environmental sustenance through the discipline of Architecture, Planning and Design.

CL.3.2 CSIR-AMPRI and SPAB Faculty/ Scientists/ Technical Staffs/ researchers will work towards joint research projects thereby CSIR-AMPRI and SPAB mutually agreed to use leading research facilities developed/ to be developed at CSIR-AMPRI and SPAB. Seminars/Symposiums/Conferences/Workshops shall be organized jointly.
